MEMORANDUM FOR MICC-Fort Drum

SUBJECT: Brand Name Exact Match Memo for Unison Buy # 1129080

1. Requesting Brand Name Exact item purchase of the Scott 4.5 X3 Self Contained Breathing Apparatus (SCBA) for Fort Riley Fire and Emergency Services. This air pack will be replacing the Scott Brand air packs that have reached lifecycle replacement due to age and are no longer compliant with National Fire Protection Association firefighter safety requirements. The air packs listed meet the new requirements.
2. Fort Riley Fire and Emergency Services utilizes only Scott Brand SCBA's and has 76 Scott Brand Air Packs in-service. The department also has 3 fully trained and certified Scott SCBA technician's on staff to work on the systems, eliminating any outside costs for repair services or annual testing requirements.
3. Since Scott brand self-contained breathing apparatus is the only SCBA personal protective equipment the department uses and is trained on, then this is the only acceptable equipment to meet our requirements.
4. For the reasons listed above, Fort Riley Fire and Emergency Services requests that a brand name purchase of the Scott 4.5 X3, part number X8814021305303 is granted.
5. If there are any questions, please contact the Contracting Officer at [usarmy.drum.acc-micc.mbx.micc@army.mil](mailto:usarmy.drum.acc-micc.mbx.micc@army.mil).
