MEMORANDUM FOR MICC-Fort Drum

SUBJECT: Brand Name Exact Match Memo for Unison Buy #1121820

1. Background: The Civil and Mechanical Engineering Department at West Point currently operates a single **Gravotech IS400 Engraving Machine** that supports the departments manufacturing capabilities of cadet capstone design projects and the ability to support the fabrication of department unique signage and academic achievements with the updating of department plaques that belong to the department. Procuring the same model and brand reduces new equipment training required for the laboratory technicians and ensures continuity
2. Description of Products Required: This procurement is for an additional **Gravotech IS400 Engraving Machine**.
3. Justification: This machine is a life cycle replacement of an existing IS400
4. For the reasons listed above, the department of Civil & Mechanical Engineering requests that **Gravotech IS400 Engraving Machine** is procured for this life cycle replacement requirement.
5. If there are any questions, please contact the Contracting Officer at usarmy.drum.acc-micc.mbx.micc@mail.mil
