

This is a Brand Name or Equal requirement.

The following parts list provides OEM, part numbers, typical images of required parts that must be compatible with J.D.C.I. Enterprises - MC25-100 and/or MC30-140 boat trailer.

If submitting **EQUAL** part(s), product data sheets shall be provided which shall at a minimum include: **part numbers, detailed specifications (including manufacturer name), associated warranties, and dimensions**. Failure to submit these product data sheets **may** result in your submission being deemed unresponsive. As product data sheets often include an array of items, quoters shall indicate which items (including all features) are being quoted.
