MEMORANDUM FOR MICC-Fort Drum

SUBJECT: Brand Name Exact Match Memo for Unison Buy

1. These Paratech Maxiforce G2 Air Lifting Bags must be brand/name specific as they are the only airbags that will connect to our Partech lifting system. This is only a partial purchase to lifecycle our current life safety equipment. Lifting air bags are made by several manufacturers, however, these Partech air bags are the type identified to connect to our current system.
2. There is not a possibility of full replacement due to cost. This is just to lifecycle our current airbags to the current system, not replace the entire lifting system.
3. This is the only known brand name item that can satisfy the government's requirement as this is a partial order for an already existing system.
4. For the reasons listed above, the Fort Hood Fire Department requests that a brand name purchase of Partech Maxiforce G2.
5. If there are any questions, please contact the Contracting Officer at usarmy.drum.acc-micc.mbx.micc@army.mil
