MEMORANDUM FOR RECORD

SUBJECT: Brand Name Letter for UNISON Buy Number [870791]

1. Directorate of Emergency Services (DES), Physical Security Division oversees 7 Access Control Points and 47 Department of the Army Security Guard (DASG) personnel. The installation will be adding an additional 41 borrowed military manpower (BMM) soldier who require holsters for this enduring task. Currently the DASG have Safriland brand holsters for the Sig M17 pistol (standard issue by Dept. of Army). As a result, DES requires this specific brand to provide hostlers for the BMM. Army Regulation 190-56 Army Civilian Police and Security Guards Program supports this major function of the DES.
2. Market research was conducted utilizing all the mandatory sources, FEDLOG, DoD Email, Unicom, AbilityOne, GSA Global/GSA Advantage. Resulting in none of the mandatory sources offering the required items.
3. Due to the regulatory requirement only Safriland manufactured hostler (MHCH) can be used to uniquely satisfy the government's requirement for providing tasked BMM with weapon hostlers.
4. For the above listed reasons, the Directorate of Emergency Services, Physical Security Division request the brand name purchase of the Safriland hostlers and parts..
