MEMORANDUM FOR MICC-Fort Drum

SUBJECT: Brand Name Exact Match Memo for Unison Buy MYERMDWEM2402

1. Procurement of the items listed below is essential to meeting the needs of support for the musical, theatrical, ceremonial and televised events that are conducted in The United States Army Band "Pershing's Own" in Fort Myer, Virginia. The requested items are required to support audio production requirements and provide Conny Hall with the capability of producing professional quality performances for dignitaries and the public. The items requested will replace items due for pending life-cycle replacement. The items listed below match the current audio equipment infrastructure of the facility and will require minimal installation for transition to new product usage. No other audio production devices match the level of professional quality the items below will provide. In accordance with AR 220-90 paragraph 6-1(b-c), the sound and video engineer has the responsibility for the procurement of professional-level audio equipment. Professional quality audio equipment is paramount for the organization as this level of product has an amount of durability and visual quality not found in base-level brands. IAW AR 220-90, para 6-1(b-c), the following audio equipment is considered to be within the scope of professional quality, meet the serviceability standards needed to fulfill operational mission requirements as determined by the video production engineer and the Commander, The United States Army Band "Pershing's Own."
2. The requested items are intended for integrated, simultaneous use. The following items are requested:
 - a. Quantity (4): SKB 3i-3021-18BC 30"x21"x18" Waterproof Case with CubedFoam Interior. MFR#: 3I-3021-18BC

3. Extensive market research was conducted to select the listed items, including receiving quotes from 3 separate vendors. It was determined that the items requested provide the most comprehensive and reliable solution to meeting the mission requirements of Pershing's Own.

4. The items listed above need to match the existing infrastructure in order to provide the professional standard expected of the premier ceremonial and special event facility within the National Capitol Region. By supplementing the current infrastructure the requested items would extend the life of the present system.

5. For the reasons listed above, The United States Army Band and Military District of Washington requests that a brand name or particular item(s) purchase of the above listed items.

6. If there are any questions, please contact the Contracting Officer at [usarmy.drum.acc- micc.mbx.micc@mail.mil](mailto:usarmy.drum.acc-micc.mbx.micc@mail.mil)
