Scope of Work

This request for bid is to rebuild classroom B023. The work will entail removing the existing equipment and installing all new equipment.

The new work will consist of installing a new integrated monitor system and new audio system. There will be three monitors. One 85" monitor mounted in the front of the room and two 65" monitors, one on the left and one on the right side of the classroom. The room will have one PTZ camera mounted on the rear wall for Teams or Zoom calls. The audio shall be wireless with the capability to use either a lavalier or handheld microphone.

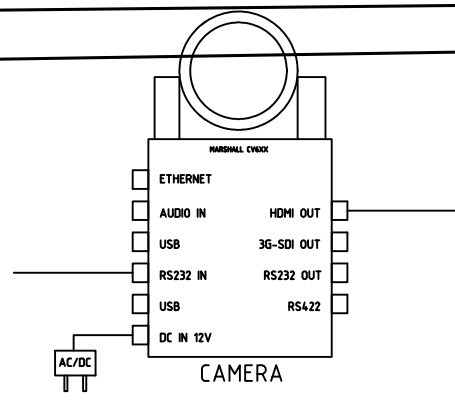

Attached are the suggested design for the audio and video and a suggested parts list.
