MEMORANDUM FOR MICC-Fort Drum

SUBJECT: Brand Name Exact Match Memo for Unison Buy [1133144]

1. The itemized equipment list in Unison Buy #1133144 is required to ensure full compatibility with the current 399th Army Band sound support equipment and ensures the highest quality components and function for mission essential equipment. The brands compatibility, expandability to align with future initiatives, proven quality and history of usage within the organization makes it a necessity PER AR 220-90: Para 6-1. Musical instruments;

a. Authorizations for musical instruments used in Army MPUs are established by TOE, TDA, CTA 50-900, or CTA 50-909.

b. Professional, quality musical instruments are required in Army Music units. Contracting offices will procure musical instruments based on the recommendations of the MPU commander, Army Music officer, warrant officer bandmaster, or the MPU senior sergeant (see para 6-1c).

c. MPU commanders, staff music officers, or MPU senior sergeants are the only personnel authorized to certify the condition, serviceability, and professional quality of musical instruments, sound reinforcement systems, recording equipment, musical support equipment, and musical expendable supplies for use in ABCP units and activities. Disagreements on what constitutes "professional quality" musical instruments, electronic equipment, or musical support equipment will be referred to the Chief, Army Music Materiel and Logistics Office, Joint Expeditionary Base Little Creek-Fort Story, Virginia Beach, VA 23459-2617, for proponent resolution.

2. Based upon current industry manufacturing availability, internet research and solicitations of information from sales representatives of several manufacturers that produce similar equipment, this equipment list is the only currently available setup that will ensure full compatibility and quality assurance with our current system.

3. The proposed equipment list is the only equipment that will adequately fulfill the mission need without requiring additional purchases or training to reconfigure systems.

4. For the reasons listed above, the 399th Army Band Commander, Brian E. Dorgan and MPU Senior Sergeant SFC Daniel C. Puls requests a brand name purchase of :
