52.212-2 EVALUATION--COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES (NOV 2021)

(a) The Government intends to award a contract to the responsible quoter who (1) is the Lowest Price Technically Acceptable quotation, (2) conforms to the solicitation, (3) proposes a price that is fair and reasonable, and (4) will be most advantageous to the Government, price and other factors considered.

The following factors shall be used to evaluate quotations:

Factor 1 Price

Quotes must include a proposed price for each Contract Line Item Number (CLIN). The Government will determine prices to be fair and reasonable in accordance with FAR Part 13.106-3 based on, but limited to, market research, current or previous purchases, prices for similar performance in a related industry, and comparison to an independent Government estimate.

Quoters responding to this solicitation are advised that, prior to award, the Government may request quoters to submit information/data to support price reasonableness such as copies of paid invoices for the same or similar items, sales history for the same or similar items, price list with effective date and/or copies of catalog pages along with any applicable discounts.

Factor 2 Technical Capability/Approach

The Government will evaluate the Quoter for acceptability of Technical Capability.

Minimum Requirements:

The following are the minimum requirements a quote must meet to be deemed acceptable for the Technical Capability factor:

- 1) A quote is deemed acceptable for the Technical Capability factor if it meets all requirements as defined in the solicitation Performance Work Statement (PWS)/Statement of Work (SOW) and/or minimum specifications.
- 2) Technical Capability/Approach evaluations will result in one of the following ratings:

TABLE 1 - TECHNICAL RATINGS	
Rating	Description
Acceptable	Quote clearly meets the minimum requirements of the solicitation.
Unacceptable	Quote does not clearly meet the minimum requirements of the solicitation.

A quote must be rated "ACCEPTABLE" for the quote to be eligible for award. An "UNACCEPTABLE" rating for Technical Capability/Approach factor will result in the entire quote being rated "UNACCEPTABLE" overall; an overall rating of "UNACCEPTABLE" makes a quote ineligible for award. A quote must contain sufficient information to enable evaluators to determine acceptability; if there is insufficient information to determine acceptability of the quote, the quote will be rated "UNACCEPTABLE" overall.

QUESTIONS: Any questions in relation to this solicitation shall be submitted via Unison Marketplace.

The cut-off date for questions is 12:00 PM EST on 10-Jan-2023.

(b) The Government shall mail or email a written notice of award to the successful quoter. Upon receipt, the quoter shall either commence performance, or have an authorized representative sign the award and return it to the Contracting Officer; a binding contract is formed upon the earlier of either of those actions.
