MEMORANDUM FOR MICC-Fort Drum

SUBJECT: Brand Name Exact Match Memo for Unison Buy # 1121863

1. The request is for the exact Getinge LRG 4800-AB is due to this unit belonging to a system of equipment. This reverse osmosis system is the exact manufacturer match for the treatment of water for the sterilizer in the building. This system will provide the exact water flow and capacity required to operate the sterilizer. This manufacture is the same manufacturer for the system that is being replaced, in an upgrade model.
2. Research was conducted to find matching water flow and capacity required, but no other manufacturer provide a system that was able to accomplish the mission of providing the correct water flow and capacity that is required for the sterilizer system.
3. Getinge is the only manufacturer that was found that would provide the correct characteristics as mentioned previously.
4. For the reasons listed above, the Benning Martin Army Community Hospital requests that a brand name or particular item(s) purchase of Getinge LRG 4800-AB.
5. If there are any questions, please contact the Contracting Officer at usarmy.drum.acc-micc.mbx.micc@mail.mil
