How many government owned machines are included in the contract? Also please provide location, manufacturer, model, and age of the government owned washers and dryers. Also please provide who maintains these machines at the present time.

Answer: **There are 8 Washer and 8 Dryer belong to the Contractor.**

**Building 251 4W/4D,**

**Building 250 4W/4D- total 18.**

The question is, Is the contractor responsible for removing the existing machine:

answer: **They remove only machine that belong to them example building 248,**

There are no line items for tools.

Answer: **The government has established a line-item titled Appliance Repair & Maintenance as a LOT to be repeated per call order, that will act as an average cost of each individual call.**

Are the government owned washers and dryers located in individual rooms or in a common laundry room? Answer: **Common rooms**

When can we expect a site visit.

**Answer: A site visit can be expected to occur on Wednesday February 15 2023, at 1300. Final confirmation of this status will be posted by Tuesday February 14, 2023, at 1600. Should any changes occur to this time or location, it will be posted here.**

Would you accept for us to bring Laundry trailers?

**Answer: These washer would need to be one site preferably within 2 weeks of contract execution if not sooner depending on the requiring activities need. Unfortunately due to limited space in JBMHH and overall requirement of the barracks/housing of JB meyer-henderson, trailer will not be acceptable for this requirement.**

The information you have provided about this buy conflict. Base year states 03/01/2023 to 12/31/2023 in one document and states base year is for 12 months in another document.

**Answer: Base year will start 03/01/2023 and go to 12/31/2023. The base year will only be 9 months.**

What is the solicitation number for the 2017 solicitation of this requirement. Where can I get a copy of exhibit 1?

**Answer: The previous contract that was awarded for this requirement is in unison under 862211. Request copies of exhibit 1 from [benyamin.dehghani.civ@army.mil](mailto:benyamin.dehghani.civ@army.mil). TE1 is now included in the contract/and as part of the solicitation package in UNISON.**

Could you please tell us the type of machines you have on site?

**Answer: The machines on site are a mix of top loaded washing machines, front loaded drying machine as well as stackable dryer/washer combo. The requested machines that the government is searching for will meet the criteria as described below. . COMMERCIAL ENERGY STAR WHIRLPOOL RATER ELECTRIC WASHERS: Shall be top load, or an approved equal, meeting or exceeding the following minimum requirements: 1. Commercial electric washers with a minimum load capacity of 18 pounds. 2. Non-coin operated. 3. Contain basic regular and gentle wash cycles. 4. Bear operating instructions for users. B. COMMERCIAL ENERGY STAR WHIRLPOOL RATED ELECTRIC DRYER shall be front load, or an approved equal, meeting the following minimum requirements: 1. Commercial electric dryers with a minimum load capacity of 18 pounds. 2. Non-coin operated. 3. Electrically operated 200/240v, 60Hz, with a prong to fit the outlet plug. 4. Contain basic regular and permanent press drying cycles. 5. Timer for drying period, minimum of 0-60 minutes capability. 6. Interlock safety switch to stop dryer when door is open. 7. Bear operations instructions for users.**

Under repair of govt owned machines will the contractor be reimbursed for the cost of the parts?I understand the govt wants a contractor to repair and maintain 197 govt owned machines, lease 27 washers and 27 dryers, possibly 8 more washers and dryers is that correct?

**Answer: The government has established the line item- to enact the average cot that would include the cost of total repair. The government currently has leased 8 washers and dryers and will only seek those 16 machines to be re-leased under the next contractor. The government has 197 machines to continue repair and maintenance for. Note: this question was asked. Government will now lease 28 machines from contractor and will need to maintain 156.**

How many washer and dryers will the contractor need to supply/lend for the duration of the contract. How many washer and dryers that the government provides will the contractor need to support for the duration of the contract. To all, the contractor for this action will need to supply/lend 8 washer units and 8 dryers unit as listed in exhibit 1. Exhibit 1 also includes approximately 197 additional government owned washers and dryers that the government operates.

**Answer: To all, the contractor for this action will need to supply/lend 8 washer units and 8 dryers unit as listed in exhibit 1. Exhibit 1 also includes approximately 197 additional government owned washers and dryers that the government operates.**

Does this contract include the lease of washers and dryers? If so how many washers and dryers and where are they located?

**Answer: Yes it will include the lease of the washers and dryers, the contractor shall provide 27 washers and 27 dryers. The washer and dryer will be located on Fort Myer, VA., Fort Myer is in Arlington, VA., and it is adjacent to Arlington National Cemetery. Fort Myer has a total of Eight (8) UPH buildings.**

Please provide the number of washers and dryers in each building. Are you going to have a site visit?

**Answer: the contractor shall provide 27 washers and 27 dryers and it will be leased by the contractors. Yes a site visit can be established. please email benyamin.dehghani.civ@army.mil with some possible times where you may be available to conduct a site visit**
