- Tapered forks and entry wheels allow for easy pallet handling

### Notes & Details

Quickly and easily transport palletized loads with this Lavex Industrial 27" x 48" pallet jack! Capable of lifting up to 5500 lb. of weight, this pallet jack is ideal for warehouses, storage rooms, or anywhere with items stored on pallets. Its rugged steel construction will allow it to stand up to consistent use. Plus, its powder-coated frame will resist scratching.

Pump this jack's handle to lift the pallet off the ground. Once this is done, 2 steering wheels paired with load wheels will guide you as you pull or push the truck toward the destination. Its tapered forks and entry wheels allow you to easily handle and navigate the jack. Use this pallet jack wherever you need large amounts of items transported in your area! This model is the perfect choice for your pallet-lifting needs.
