MEMORANDUM FOR MICC-Fort Drum

SUBJECT: Brand Name Exact Match Memo for Unison Buy #1091268

1. The system we are trying to purchase, and install is the required Army system by regulation. The parts and service providers are dictated by the local Ft Belvoir security forces and must have DAQ certification for parts and installation specifically for arms rooms.
2. Research is not required for this as it has to be certified DAQ equipment that meets the Army Regulation 190-11 and 190-13 and specifically for Army arms rooms.
3. The brand item is certified DAQ equipment and must be purchased to fill the needs of the Army Regulations for Intrusion Detection Systems.
4. For the reasons listed above, the Army Museum Enterprise requests that the equipment list be used for this install.
5. If there are any questions, please contact the Contracting Officer at [usarmy.drum.acc-micc.mbx.micc@army.mil](mailto:usarmy.drum.acc-micc.mbx.micc@army.mil)
