ADDENDUMADDENDUM TO 52.212-2 - EVALUATION--COMMERCIAL ITEMS (OCT 2014)

The Government intends to award a Firm Fixed Price Contract resulting from this solicitation in accordance with FAR Part 12 and FAR Part 13. Award will be made to that quoter whose quote is most advantageous to the Government and represents the best value after the evaluation in accordance with the factors in the solicitation. The Government intends to evaluate quotes and award a contract based on initial quotes.

The selection of a quoter for award will be conducted in two phases. Phase I will consist of Factor I – Meets Minimum Specifications. Quoters receiving a rating of “Acceptable” in Phase I shall move on to Phase II. Phase II will consist of Factor II – Price.

The selection of a quoter for award will be conducted on a Lowest Price Technically Acceptable (LPTA) basis. This will be done by ranking quotes which moved on to Phase II according to price. A quoter’s proposed prices will be determined by adding all extended amounts for the CLINS. If the lowest priced quote is evaluated, that quote represents the best value for the Government and the evaluation process stops at this point. Award shall be made to that quoter without further consideration of any other quotes.

Phase I**Factor I – Meets Minimum Specifications**

Factor I will be evaluated on an Acceptable/Unacceptable basis on whether the item(s) quoted meets the minimum specifications identified in the solicitation. This will be evaluated during Phase I on an Acceptable/Unacceptable basis in accordance with the Technical Acceptable/Unacceptable ratings Table 1 below. Failure to meet the minimum specifications will result in a rating of unacceptable.

Phase II**Factor II – Price**

Total price will be evaluated taking into the account the total FFP. Price analysis will be used to evaluate price reasonableness.

The Government may evaluate any and all information submitted by the vendor to support the reasonableness of prices proposed. The method of evaluation used by the Contracting Officer is solely within the discretion of the Contracting Officer.

A written order in response to the vendor’s quotation will be e-mailed or otherwise furnished to the successful vendor. The Contracting Officer may ask the vendor to provide written acceptance of an order. In other circumstances the vendor may indicate acceptance by proceeding with the services ordered.

Vendors responding to this solicitation are advised that, prior to award, the government may request vendors to submit additional information/data to support price reasonableness such as copies of paid invoices for the same or similar items, sales history for the same or similar items, price list with effective date and/or copies of catalog pages along with any applicable discounts. Failure to submit the requested information may result in disqualification of the submitted quote.

**Rating Tables**Technical Acceptable/Unacceptable Ratings Table

These ratings will be used in the evaluation of the Factor I.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals--

(1) [ \_\_\_\_ ] Are, [ \_\_\_\_ ] are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) [ \_\_\_\_ ] Have, [ \_\_\_\_ ] have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property; and

(3) [ \_\_\_\_ ] Are, [ \_\_\_\_ ] are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) [ \_\_\_\_ ] Have, [ \_\_\_\_ ] have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals. Contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—
